Using your fleet cards

Swipe your fleet card. After your card is verified, you can select your wash method/soap selection using the dial on the pay station. Each bay has a \$3.00 minimum charge. Bays will shut off after reaching \$10.00. If you are not finished when the timer maxes out you will need to re-swipe your card. If you have completed your wash before the max charge has been reached, press and hold the button on the card swiper for 2 seconds to stop the timer.
